ENERGY DIAGNOSTICS REPORT

Date: 08/04/2021

Organs BioScan

Client: [REDACTED]

VITAL ORGANS	STATE	REMARKS
Liver	Poor	<i>Liver is overheated and working harder than normal. We will discuss natural liver detox and energy boost during the healing session. Also, I will provide breathing exercises to revitalize liver.</i>
Stomach	Poor	<i>This organ is working harder than normal. During energy scan stomach looked darker than normal. Individuals with this energy pattern often experience digestive issues. In energy layers of stomach areas individuals hold their feelings, mainly fears and anxieties. The result of this energy disbalance is nervousness, stomach issues, and disruption of flow of energy in the body. Reiki therapy will revitalize and charge this area with energy, therefore promoting healing process within this organ.</i>
Heart	Good	
Lungs	Good	
Brain	Poor	<i>I found that your forehead is warmer than normal. Also, I found energy bump in the back of the head. Both issues can be resolved during the healing session.</i>
Kidneys	Good	

Energy Field Alignment Scan

FIELD SHIFT	STATE	REMARKS
Around the Head	Shifted right	<i>Individuals with this disbalance have tendency to be stubborn and to defend their point of view till the end. To restore the field to normal it is important to realize that being inflexible in life can cause illnesses and that it is important in life to accept other people the way they are.</i>
Around the Body	Shifted right	<i>Left side of the body does not get enough energy and more health problems can manifest on the left side. Individuals with this disbalance have tendency to blame others which results in accumulation of negative thoughts and emotional patters within the body. Common pattern in people with this shift is egoism and perfectionism. It is hard for the individual with this disbalance to accept difficult life circumstances.</i>

Holes and Bumps in Energy Field

AREA	STATE	REMARKS
Head	Bump	<i>I found energy bump in the right side of forehead. It is a result of overthinking or anxiety. This issue will be resolved during a healing session.</i>
Neck	Ok	<i>No energy holes or bumps in this area.</i>
Chest	Hole	<i>I found energy hole in the center of the chest. I will fill this area with positive energy and strengthen etherical double, emotional, and mental layers in that area.</i>
Solar Plexus	Hole	<i>Thin energy layers near the stomach. This area seems to be colder than normal. During the healing session I will work with stomach and boost etherical double and emotional body layers in that area. Complex of exercises will be provided to improve work of digestive system.</i>
Abdomen	Ok	<i>No energy holes or bumps in this area.</i>
Reproductive System	Ok	<i>No energy holes or bumps in this area.</i>
Legs	Thin Layer	<i>I found that the energy layers around your lower legs are thinner than normal. Blood has hard time reaching calves and ancles resulting in cold feet symptoms. I will strengthen energy layers in that area during the healing session. Also, physical exercises will be provided to improve blood flow to lower legs.</i>

Chakras Health

CHAKRA	STATE	REMARKS
Root Chakra	Direction: <i>clockwise</i> Speed: <i>normal</i> Radius: <i>normal</i>	<i>Good</i>
Sacral Chakra	Direction: <i>counterclockwise</i> Speed: <i>fast</i> Radius: <i>large</i>	<i>This chakra needs to be balanced during a healing session. This energy disbalance happens when individuals have weak mind-body connection. Easy Qigong exercises will be provided to restore balance in this chakra.</i>
Solar Plexus Chakra	Direction: <i>clockwise</i> Speed: <i>slow</i> Radius: <i>large</i>	<i>This energy disbalance manifests when an individual has hard time accepting their life circumstances. Life lessons are not accepted; therefore, this individual has hard time digesting life. Need to be balanced during a healing session. Easy Qigong exercises will be provided to balance and strengthen this energy center.</i>
Heart Chakra	Direction: <i>clockwise</i> Speed: <i>fast</i> Radius: <i>normal</i>	<i>Heart chakra spins faster than usual if an individual is not accepting himself/herself the way he/she is and continue pattern of playing negative thoughts and feelings in their mind. This chakra needs to be balanced during a healing session.</i>
Throat Chakra	Direction: <i>clockwise</i> Speed: <i>slow</i> Radius: <i>large</i>	<i>This chakra needs to be balanced during a healing session. Disbalance in this chakra manifests weak immune system. Reiki session will help. I will recommend effective breathing exercises to boost the immune system.</i>
Third Eye Chakra	Direction: <i>clockwise</i> Speed: <i>normal</i> Radius: <i>normal</i>	<i>Good</i>
Crown Chakra	Direction: <i>clockwise</i> Speed: <i>normal</i> Radius: <i>normal</i>	<i>Good</i>
